## 2026

PRODUCT RANGE

# introduction

2017 is the year, when Ruman Sanitary Fittings appeared as a bright star on the horizon of sanitary fitting world. In a very short period RSF reached at the peak of its quality, under the brilliant leadership of Rana Shahid Mahmood, who is the founder of RSF.

Our passion is to work for innovative and attractive designs according to the requirement of the International Market and at the same time for our local market. To ensure quality level, we have imposed strict quality control policy. RSF produces a vast range of sanitary products with most modern and sophisticated machinery. All our products are minutely tested at every stage of production.

We are obliged by our kind customers, who promote us and boost our confidence. Now with the help of Allah Almighty our next step is to achieve ISO-9001 certification.

## CERTIFICATES

- 
**Mirror-sided Plating Technology**  
 Nickel-chromium surface plating technology (Ni = 8um, Cr = 0.25um) enable coated metal piece to effortlessly pass the 200 hour salt spray test and maintain its sheen even in humid bathrooms.
- 
**Lead free brass**  
 faucet for the system is made of lead-free copper of German standards. with content of precipitated lead lower than 4µg/L and no lead detected in water, it compiles with the strict European and American standards and keeps water supply healthy.
- 
**Water Saving Technology**  
 Neoperl (swiss) consealed bubbler, equipped with 6 layers of special honycomb strains to filter dirt from water, ensures fine and smooth water supply and reduced splashing, capable of supplying water at a rate of 4-5 L/min. it is water conserving, enviromentally friendly and easy to clean and maintain.

### World-Class Accessories

“ Ruman Sanitary Fittings” use precision copper and brass element-r-provides a product which give long life service more then 500,000 time e.i over 20 yaers for a normal house hold ( 50 time per day), water at rate of 4-5 L/min. it is water conserving, environmently friendly and easy to clean and maintain.
